**All Point of Presence**

Dear Sir/Madam,

**Subject: Withdrawal of Circular No. PFRDA/2016/20/POP/1 dated 17.08.2016**

This is with reference to the operational guidelines to be followed by POPs which stipulate submission of monthly/quarterly/half yearly/yearly MIS reports by the POPs to NPS Trust within prescribed timelines.

It is observed that some Point of Presence are not submitting the required reports to NPS Trust within prescribed timelines. It is emphasized that the Operational Guidelines issued under the Regulations are statutory in nature and their non-compliance would attract appropriate regulatory action as per the provisions of PFRDA Act and PoP Regulations.

Keeping in view the provisions available, Circular no PFRDA/2016/20/POP/1 dated 17.08.2016 regarding *Penalty on PoPs for non submission of MIS report as per guidelines issued under PFRDA (PoP) Regulations, 2015* stands withdrawn with immediate effect.

Yours sincerely,

**Ashish Kumar**  
General Manager
